

## Maine State Park Pass – Library Circulation Policy

It is the policy of the Bureau of Parks and Lands to “sell” the Maine State Park Pass to Maine libraries for circulation to their patrons. The passes are checked out in the same manner a book is. Upon receipt of the park pass at the library, it must be signed by the Chief Librarian or the library title. It is to be accepted, at the parks and historic sites, in the same manner as if it were “sold” to a customer. All rules for State Parks and Historic Sites apply.
