

RRCT Accumulated Conserved Land: 1988-2024

Assist Fee Easements --- Acreage

Fee refers to RRCT ownership acquired through the sale or donation of land.
Easements refer to conservation easements that restrict development and protect ecological values, while land is retained by someone other than RRCT.
 An **assist** is defined as conservation acreage where RRCT meaningfully assisted in a project, such as a state park expansion or a project led by another land trust.

Between 1988 and 2024, RRCT has conserved **6,025** acres of land.
